"Bringing Up Down Syndrome"

(856) 985-5885

P. O. Box 1085, Marlton, NJ 08053

September, 2008

The officers of BUDS advertised in the Spring of 2008 for nominations for officers. No new candidates came forward, so the officers will continue for another two year term. Your officers are as follows:

Co-chair: Sue Orthey and Joanne McKeown

Secretary: Nancy Scully

Treasurer: Nancy Hennefer

This group belongs to all our families, and we want you to feel free to contact us with your concerns. We will try to get 3 newsletters out each year. If you have an article that you want included, please forward it to Jan Brodzinski at janbrod6@aol.com to be considered for inclusion in the newsletter. Our goal for our next full newsletter is the end of October, so all articles should be to Jan by October 15th.

We also hold planning meetings that are open to all our membership. We send an e-mail to every member for whom we have an e-mail address. Please join us anytime. This is the best time to address your concerns and volunteer. Remember that your board are volunteers with families and careers too.

If this letter and calendar was mailed to you through the post office, please consider sending us your e-mail address. The group saves a great deal of money when we send the newsletter electronically. You can send your e-mail address along with your name and street address to either regan65@aol.com or golforlife@comcast.net

E-mail Privacy Policy

We often get requests to circulate a variety of e-mails to our Bringing Up Down Syndrome distribution list that span a wide variety of subjects that may or may not be of interest to all of our families. Our e-mail list is a private distribution list that is used primarily to communicate information related to Bringing Up Down Syndrome events, meetings, etc. To respect the privacy of our families, we reserve the right to not routinely forward all such e-mail requests. If there is a subject that you believe should be communicated more widely, we encourage you to submit the information for consideration in our newsletter by contacting janbrod6@aol.com. To ensure that you are kept informed about important national and state news and legislation regarding Down syndrome, we encourage you to become members of the following:

National Down Syndrome Congress (NDSC) www.ndsccenter.org

National Down Syndrome Society (NDSS) www.ndss.org

Statewide Parent Advocacy Network, Inc. www.spannj.org

BUDS Board of Directors
